

## COURSE DURATION: 1 DAY

### COURSE OVERVIEW

This IOSH approved course is for personnel at any level, in any sector, who need a grounding in health and safety and their legal responsibilities. It follows the IOSH Working Safely syllabus and uses the latest course materials supplied by IOSH.

### BENEFITS

Working Safely is an excellent introduction to why health and safety is important. It shows how everyone can make a difference to their own wellbeing, and that of others, through their everyday behaviour. Fun and interactive, the course focuses on best practice rather than legislation.

### ASSESSMENT

Delegates will carry out a written assessment and practical exercise at the end of the course. All candidates that successfully pass the assessment will receive an IOSH Working Safely Certificate.

### COURSE CONTENT

- The legal, moral and economic rationale for safe working
- Identifying common hazards and risks
- Improving safety performance
- Waste and pollution control
