

ISO 14001: 2015 ENVIRONMENTAL MANAGEMENT SYSTEM — INTRODUCTION

COURSE DURATION: 1 DAY

COURSE OVERVIEW

Managing your organisation's impact on the environment is no longer a moral choice but a business necessity. Adopting an effective environmental management system will help you to meet your legal responsibilities and thrive in changing environmental conditions.

In our Introduction to ISO 14001:2015 EMS you will develop an understanding of the standard's key terms and definitions, and the ISO standardised high level structure. You will explore how to interpret and apply the key concepts and principles within your workplace, building on your existing processes.

BENEFITS

This course will help your organisation to:

- Have a sound grasp of the key requirements and benefits of ISO 14001: 2015.
- Interpret the requirements to manage environmental risk and drive continual improvement.
- Bring sustainability into the heart of your organisational culture.
- Demonstrate environmental commitment to key stakeholders.
