

# CONSTRUCTION DESIGN MANAGEMENT (CDM) REGULATIONS 2015

**COURSE DURATION: 1 DAY**

## COURSE OVERVIEW

This intensive one-day course is designed to help plan for better health and safety performance when looking at new building projects, as required under the CDM Regulations. It looks at the full scope of the Regulations and their application and explores the duties of all parties.

## WHO IS IT FOR?

- Clients
- CDM coordinators
- Designers
- Principal contractors and contractors.

## BENEFITS

Delegates will develop a better understanding of the process for regulatory compliance and how to apply the process in the workplace.

## COURSE CONTENT

- Background to the CDM Regulations
- Duty-holder duties
- Implementing the Regulations
- Control of contractors
- Measuring safety performance
- Control of records
- Communication, participation and consultation
