

COURSE DURATION: 1 DAY

COURSE OVERVIEW

This is an engaging one-day course that uses personal reflection, discussion and practical scenarios to keep employees' Managing Safely training up-to-date.

ELIGIBILITY

This is a refresher course for managers and supervisors who have completed the Managing Safely course within the last three years.

BENEFITS

This practical course focuses on using:

- Memorable and thought provoking facts and case studies.
- Clear examples and recognisable scenarios.
- Summaries to reinforce the key learning points.
- Checklists and other materials to try out and then use in the workplace

ASSESSMENT

Delegates will carry out a written assessment and practical exercise at the end of the course. All candidates that successfully pass the assessment will receive a renewed IOSH Managing Safely Certificate.

COURSE CONTENT

- Review of the IOSH managing safely principles
- Review of understanding and application in the workplace
- Building on management system knowledge and application
- Building on monitoring, auditing and reviewing practices
