

FREE Seminar

Data Security & ISO27001 Information Security

Friday 3rd November 2017 Hilton Hotel Southampton 10am till 12:30

GDPR — Are you ready?

Data security is becoming a major concern for businesses of all sizes. With the new General Data Protection Regulation (GDPR) coming into force in May 2018, it's essential that your information security systems comply. Our free seminar will help you to understand the new regulations and establish the next steps for your business.

Official Sponsors

Who should attend?

This event is aimed at IT managers and those responsible for information security and ISO9001 standards within the organisation.

Seminar objectives

To give delegates insight into:

- GDPR regulations — main changes.
- Common challenges faced by those responsible for data information.
- Key considerations surrounding data security.

Our approach

Our team and guest speakers will share their own experiences of auditing against legal requirements and explain the common challenges faced when considering information security.

Agenda

10:00 Welcome & introduction — Ian Fielding, [NDC Global Auditors Ltd.](#)

10:15 An overview from [Soitron](#) — global cyber security specialists.

- Addressing common data protection and cyber security concerns.
- How to test existing IT security arrangements to identify existing weaknesses.
- How to develop robust IT systems that comply with GDPR and protect data and customer information.

11:00 Break

11:15 ISO27001 – An overview — Dawn Cairns, Lead Auditor at NDC Global Auditors Ltd. and Oliver Burrows, [LRQA](#).

- How to develop effective GDPR policies, audit checklists and protocols.
- How ISO27001 can support GDPR compliance and improve data security.
- Help organisations with ISO9001:2015 to identify the impact GDPR may have on the business.
- How ISO27001 and ISO9001 can improve information security.

12:00 Closing remarks.

12:15 Lunch & networking.
