

# FREE Workshop & Networking Event

## General Data Protection Regulation (GDPR)

Monday 21st May 2018 Pilgrims Academy, Redhill. Surrey. 09:30 till 12:30

## GDPR — Are you ready?

Data security is becoming a major concern for businesses of all sizes. With the new General Data Protection Regulation (GDPR) coming into force in May 2018, it's essential that your information security systems comply. Our free workshop will help you to understand the new regulations and establish the next steps for your business. In particular we will help answer some common questions surrounding HR, Marketing, Sales and Procurement.

Official Sponsors

## Who should attend?

This event is aimed at HR, Marketing, Sales, Procurement and those responsible for information security and ISO9001 standards within the organisation.

## Seminar objectives

To give delegates insight into:

- GDPR regulations — main changes.
- Common challenges faced by those responsible for data information.
- Key considerations surrounding data security employee and customer records

## Our approach

Our team and guest speakers will share their own experiences of auditing against legal requirements and explain the common challenges faced when considering information security.
